# HOUSING APPLICATION LOG

This Housing Application Log is provided to assist you in tracking which buildings you have applied at
and how often you need to check in with the property to stay on the wait list for housing.

Here is a list of commonly required documentation to either apply or have an application for housing processed.  Contact the building(s) you are interested in to find out specifically what documentation is required.

- Current and valid Identification
- Permanent Resident Card or Passport (if applicable)
- Social Security Card
- Birth Certificate
- Current income verification
- Verification of Disability (signed by medical provider or other qualified professional)
